**RE: MSC Mediterranean Shipping Company S.A. v. Baltic Auto Shipping, Inc. et al. [21-cv-7660]**

Dear Magistrate Judge Parker:

We write on behalf of Plaintiff MSC Mediterranean Shipping Company S.A. (“MSC”) in accordance with Your Honor’s Order dated September 30, 2022. (Dkt. 121). We have conferred with counsel for defendants in this matter and file this letter on a joint basis.

It is counsels’ collective understanding that Judge Vyskocil’s Order filed on September 27, 2022, staying the proceedings also applies to the scheduling of any settlement conferences until there is a ruling in the Libyan case. (Dkt. 120). It is counsel’s further understanding that Judge Vyskocil’s order instructed the parties to “contact [Your Honor] about rescheduling the settlement conference” but that the rescheduling is dependent on there being a ruling in the Libyan proceeding.

Counsel hereby seeks Your Honor’s confirmation that until there is a ruling in the Libyan case – at least during the 60 days indicated in the Stay Order – any scheduling of settlement conferences are postponed. Should the Court disagree or want proposed months from the parties during which a settlement conference be most productive, counsel hereby seeks an extension in order to meet and confer to provide the Court with such months.

We thank the Court for its prompt consideration of the foregoing.

Respectfully submitted,

/s/ Eva-Maria Mayer
